DISTINGUISHED SERVICE AWARD

The Distinguished Service Award is presented to a person(s) who has given outstanding recent service to the gymnastics development and gymnastics programs in Texas.

**2022 DISTINGUISHED SERVICE AWARD
PRESENTED TO:**

JENNIFER STONE

Jennifer Stone has been an integral part of the success of Texas Acrobatics for over 10 years. She has played in roles as team manager, USAG chaperone, coach, judge, Texas Acro Board Member as well as meet director to some of the most successful competitions in Texas. No matter the role, Jennifer strives to do the very best for the athletes as they are her main priority.

Jennifer will step into any role that is needed and truly give her time and talents in anyway possible to make sure the athletes are prepared, comfortable and successful. She received the Region 3 Acrobatics Star Service Award in 2017 and 2022 for her dedication to the sport of acrobatics and continues to help grow acrobatics in the United States and around the World.

JAMES JEFFERS

PRIDE OF TEXAS AWARD

Pride of Texas Award is presented to the person(s) who has worked for the past several years serving and supporting the GAT community.

**2022 JAMES JEFFERS
PRIDE OF TEXAS AWARD
PRESENTED TO:**

GEORGIA MILLER

Georgia has served GAT since 1999. She started as a volunteer assisting with processing registration forms (back in the day when each form came by U.S. Mail and all information was entered by hand for each registration), depositing checks, and hand-stuffing registration packets that were passed out during GAT. In 2000, she became GAT's Registration Director. Always striving to make GAT more efficient for our attendees, she moved the registration process online in 2007. This finally allowed credit card payments to be accepted and steadily increased GAT's overall attendance which reached numbers in the 800s for several years. Overall, she has processed well over 12,000 registrations during her time with GAT.

Georgia is always willing to pitch in and help where needed. She has designed art for the conference logos, and prior to GAT going "green," she designed many of the printed program covers. With the encouragement of Cheryl Jarrett, and seeing a need to develop a course specific to frontline staff, Georgia created the Office Instructor Training Program (ITP) course in 2005 to ensure gyms' office support staff were fully equipped to be the best they could be.

Georgia attended Texas A&M where she met her husband, Terry. They've raised four children, one of which, Rebekah, was a gymnast at Bannon's, Basel's and Capital Gymnastics. In 2004, she was a recipient of the GAT Service to Youth Award. Though never a gymnast herself, Georgia feels blessed to be a part of the GAT family where she has been able to work with and meet some of the most caring and dedicated people she knows! You'll typically see her in the downstairs lobby area helping guide coaches to correct meeting rooms or handing out banquet wristbands.

PRESENTED TO:**

VICKI MILLER

Vicki started out volunteering at GAT as a parent when my daughter Heather was invited to join the team at Capital Gymnastics in 1991. This year marks 30 years for her GAT involvement. After volunteering as a parent with the registration for a few years, Vicki was asked to be the Registration Coordinator. She was the Registration Coordinator for five years and has been the Convention Director for 23 years. She feels honored to serve the GAT community for all these years.

When she is not helping with GAT, Vicki owns a survival swim business called Williamson County ISR (Infant Swimming Resource). She teaches young children six months to six years old, how to survive in the water should there be an aquatic emergency.

Vicki has two children and six grandchildren ages 9 to 3. She loves being a grandmother.

She is a retired high school teacher. She taught at McNeil High School for 20 years and is enjoying being retired.

LIFE MEMBER AWARD

The Life Member Award is presented to GAT member(s) who have given a long period of outstanding service and accomplishment to the sport of gymnastics.

TONY WALKER

TONY WALKER: San Angelo. As a high school and collegiate athlete Tony pursued the sports of soccer and track and intended to pursue those sports as a Coach. At Texas A&M, he was required to take a class in: The Teaching of Gymnastics with instructor Ernie Kirkham. Ernie encouraged him to apply to a local gymnastics club owned by GAT Life Members Nikki and Patrick Yaeger to sharpen skills in a new sport. The Yaeger's sparked an interest in competitive gymnastics and the fun of gymnastics through their Gymnastics Club and the Summer Texas Gymnastics Camps. In the Spring of 1985, Texas A&M hosted the 1985 Texas High School Gymnastics State Championships in G. Rollie White Coliseum and it was then that he learned that Texas High Schools offered the competitive sport of Gymnastics. In 1986 for his Student Teaching assignment he was assigned to Annette Reynolds, Gymnastics Coach and PE Partners/Physical Education instructor at Richardson High School where he was surrounded by the other district Gymnastics Coaches, Denise Coates, Greg Larimer and Sam Siedel. In 1987 this then soccer/track athlete ended up at San Angelo Central High School with GAT Life Member and Coach, James R. White and became the first Girl's head coach where he still is today. Tony has completed 36 years as the Program Director and Head Coach at San Angelo Central High School. Since his arrival in 1987 Tony's teams have achieved 25 District Titles, 25 Regional Titles, 12 State Titles, 1 National Title and currently holds the Team Scoring Record for girls along with 7 individual State Record Holders and 32 individual State Champions. He has been names Region 3 Coach of the Year 8 times, State Coach of the year 9 times and Girls National Team Coach twice. Most recently in 2014 he was selected as Teacher of the Year for the San Angelo Independent School District. San Angelo's program not only supports high school gymnastics but as a part of the program gymnasts learn to teach in the Community Education Program where athletes have gone on to become club and high school coaches, club owners, national team coaches, program directors and judges. He is grateful to the many coaches and administrators that showed support and influenced him along the way. He couldn't have had the success in his career without the love and support of his family, wife Sherrie and sons Cameron and Braden and daughter Addison along with his coaching brother Kern Arrott. **Elected in 2022.**
